PRESIDENTIAL ADDRESS

The Fisher Junior College Class of 1986 is the first graduating class in my tenure as President of the College. Therefore, I take special pleasure in having an opportunity to write this yearbook address. The yearbook provides graphic memories of your college years: memories of growth experiences, of pleasant times, and of opportunities taken.

Already, as I consider the activities in which I have been involved with the students of this class, I am impressed by your diverse energies and commitments: social events, such as a sunny afternoon in Gloucester with everybody eating lobster and enjoying the music of a steel band; Phi Theta Kappa induction ceremonies with poised students delivering impressive speeches; meetings of the Class Officers and of the College organizations with students demonstrating leadership skills; and the "kick off" of the Fisher football team's season with games against Lasell Junior College and Emerson College. Memories of these events and of students working in the Library and greeting me in the hallways have made this year a stimulating one for me.

The energies, interests, and abilities I have seen in the Class of 1986 convince me that you young women will make significant contributions to society. I am pleased to have been a part of the development of such fine human beings as I have seen during this past year. I wish all of you well and invite you to keep us informed of your future activities.

SENIOR CLASS OFFICERS

Mary Dagnese, President; Dina Fiore, Vice-President; Stacey Singer, Treasurer; Katie Hanafin, Secretary.

My wish for you is simply to find meaning in your life. And meaning is not something you stumble across like the answer to a riddle. Meaning is something you build into your life. You build it out of your past, out of your affections and loyalties, out of the experience of mankind as it is passed on to you, out of your own talent and understanding, out of the things you believe in, and out of the things and people you love, out of the values for which you are willing to sacrifice something.
May your life have dignity and meaning. If it does, then the particular balance of success or failure is of less account. I hope your memories of Fisher Junior College will be pleasant and that, as the years roll along, you will find that much of what you have learned here was valuable.

Good Luck,

Mary Dagnese
Senior Class President

FRESHMAN CLASS OFFICERS

Sherry Rouleau, President; Kris Souza, Vice-President; Robin Kiskunes, Secretary; Dawn Sylvia, Treasurer.

In Appreciation

We, the class of 1986, wish to dedicate this 1986 edition of the ***BEACON*** *to a very special professor, Dr. Rose Blake.*

With Dr. Blake's daily encouragement, we grew to be self-confident, motivated young women striving toward future endeavors. As Dr. Charles D. McIver puts it, "If you educate a man, you educate an individual; if you educate a woman, you educate a family."

We would like to extend our gratitude and sincere thanks to you, Dr. Blake. You are forever in our hearts and prayers.

Best friends

Donna and Cathy pose for the camera.

"Look, Mom. I'm studying."

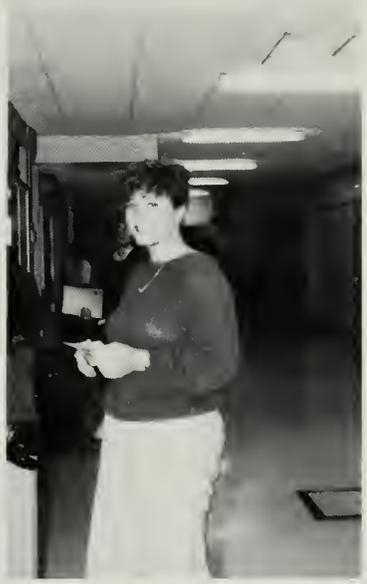
You look marvelous!

He did what?

"Take it and I'll kill you."

Waiting for a free washer?

Mary's keeping us all informed.



"Hurry up. I'm late for my date."

"We survived!"

Another day of fine dining in the Fisher Cafe.

Taking a break between classes.
